 - 2021 Reunion
 - Forrest (his wife has an abdominal hernia & tumor) and Blackie cannot attend this year
 - Armed Forces Reunions contacted Forrest; our next 2 reunions are covered
 - Forrest spoke with Craig Bond about reunions held in times other than Nov; if members want to, he'll switch to some other date in 2022; put the vote of members on the business agenda for this year's business meeting agenda
 - Since Forrest & Blackie can't be there, we should allow Woody to run the Business Meeting (moved, seconded, voted & approved by all)
 - Gaffney Award presented by previous year's award winner (Ray will call John about that person [George S.])
 - At Memorial: Woody & Ron to present the wreath; John to get readers of the names with Jimmy S
 - Manchus (3) will be there at the reunion; 114 at the banquet and 46 at the ladies luncheon -- \$2600 in donations this year; 74 sweatshirts sold
 - Hotel is giving us everything for free, but the donation money could help if conf rooms are not free; same hospitality suite on the main floor
 - Jimmy handling the bowling tournament
 - Blackie's wife was in car accident, and they discovered cancer in her uterus (3rd stage)
 - We couldn't get tax free because we don't make any charitable contributions to the state of Nevada
 - John is going away from Wells Fargo bank after this reunion because they think we're fraudulent
 - There's only about a third of us still alive so let's enjoy this upcoming reunion
- Any Other Items: None
